CEO of BOU & KO LTD.
MR. GEUNSU KIM
Haedo Dong 212-30
Nam-gu, Pohang City
Gyeongsangbukdo
Republic of Korea

We wish BOU&KO LTD., a public corporation of the Autonomous Bougainville Government, endless development.

The Autonomous Bougainville Government and the Land Owners Association have acknowledged the change of corporation title stated in the MOA dated November 25, 2019, from B&K to BOU&KO LTD. All investors and companies must sign a contract with the CEO of BOU&KO LTD, Kim Geunsu. The Autonomous Bougainville Government trusts and supports BOU&KO LTD. The Autonomous Bougainville Government signed a Memorandum of Agreement (MOA) with BOU&KO LTD. Consequently, all investors and companies are required to sign a contract with BOU&KO LTD. to gain recognition from the Autonomous Bougainville Government and the Land Owners Association.

Reference: Memorandum of Agreement signed with the Autonomous Bougainville Government and B&K on November 25, 2019.

Categories of Industry Projects and/or related businesses:

1. The fishery industry
2. The shipping industry.
3. The purchase and application of renewable energy production machines, including but not limited to solar energy, hydroelectric energy, wind turbine energy, and geothermal energy.

4. The development of the water supply
5. The development of transportation infrastructure, including docks, roads, and airports, among others.
6. The development of the agriculture industry, including but not limited to cocoa, coconut oil, and rice, has been significant.
7. The master plan and design of public facilities, including but not limited to banks and post offices.
8. The university buildings, office buildings, and other structures necessary for the operation of any industries in the MOU.
9. The extraction and mining of natural resources
10. The tourism industry
11. The educational programs, including the establishment of exchange student programs between the Republic of Korea and the Autonomous Region of Bougainville, Papua New Guinea,
12. The cultural exchange programs (including, but not limited to, the Korea Talent Donation Corps) are valuable opportunities for international collaboration and understanding.
13. The development of communication-related technologies and infrastructure
14. The development of bilateral trade relationship between ABG and the Republic of Korea

In addition, the Autonomous Bougainville Government has promised to grant consular duty to CEO Kim Geunsu of BOU&KO LTD.

Thank you.

Emmanuel Mah, Director of State Own Enterprises
Department of Finance
Autonomous Bougainville Government
